Modern Asian Studies is concerned with the history, geography, politics, sociology, literature, economics and social anthropology of South Asia, South-East Asia, China and Japan.

Contributions should be based on original research or field-work. They should be between 2000 and 8000 words long. Two typed copies should be submitted. Each author will receive twenty-five free offprints of his article and a copy of the Journal in which it appears.

Submission of an article will be taken to imply that it has not been previously published and that it is not on offer to any other publisher. In the interests of authors, copyright is normally assigned to Cambridge University Press. The editor welcomes expression of all shades of opinion, but responsibility for them rests with their authors.

All correspondence should be addressed to Dr Gordon Johnson, Selwyn College, Cambridge CB3 9DQ, England.
